Thank you for your support!

The Field Station Cooperative is centered on nature study and seeks to develop in all of its students a love of learning, critical and independent thinking, creativity and imagination, social skills, and improved self confidence and self esteem. The curriculum includes all pre-reading and math skills needed to be ready for kindergarten, and so much more!

Located within the Indiana Dunes National Lakeshore, the Field Station is the perfect place for children to learn about the natural world around them. As a cooperative, the Field Station is dedicated to education reform through parental involvement.
