

# Field Station Cooperative Confidentiality Agreement

Thank you for choosing to be an active participant in your child's education and for choosing the Field Station Cooperative Preschool. Parents and special caregivers are an integral part of what makes the Field Station such an amazing place!

While you are here at the Field Station, you will be exposed to confidential information. You will see, hear, and be privy to information about students, their families, as well as the staff. The intention of this confidentiality agreement is to ask for your discretion and sensitivity to these matters. Please do not talk about children that are not your own with other parents.

Confidentiality is crucial to the integrity of the school and trust of our families.

Please have all family members and caregivers that will be volunteering at the Field Station read and agree to the stated terms and then sign this form. This must be turned in before you volunteer in the classroom. Thank you for your understanding in this important matter.
